

Start-up character with flat hierarchies and the security of an established medium-sized company. Both in one company? Yes, with us - with CHERRY! We are an agile company - if you want to make a difference and shape the future, you've come to the right place. Become part of the CHERRY family!

Cherry is a global manufacturer of high-end mechanical keyboard switches and computer input devices such as keyboards, mice, microphones and headsets for gaming & e-sports and (hybrid) office workstation applications as well as industrial applications and the healthcare sector. Since its founding in 1953, Cherry has stood for innovative and high-quality products and services that are developed specifically for different customer needs.

For the further growth of the **Cherry SE** we are recruiting in **Germany** a

## Technical Specialist Web Solutions (m/f/x) - remote option

### Your tasks:

- Administration and configuration of the worldwide web applications (websites, webshop, etc.) with strong support from service providers
- Implementation of projects in the team in cooperation with the e-commerce and marketing team
- Responsibility for the PIM system application
- Participation in projects and coordination of external service providers (hosters, agencies, software producers, etc.)

- Installation and testing of tracking (Facebook, Google Ads, etc.)
- Monitoring performance and availability based on key performance indicators
- Interdisciplinary cooperation with IT, e-commerce, marketing and business units including coordination and harmonisation of requirements

### **Your profile:**

- Completed vocational training as an IT specialist (m/f/x) in application development or system integration or a comparable qualification
- Relevant professional experience with websites (min. 3 years), webshops, PIM systems, preferably in a web agency
- Sound knowledge of CMS & backend systems (e.g. TYPO3, Magento, Contentserv) and website structures
- Good general knowledge of IT infrastructures and interface definitions
- Experience with the management of hosters and the definition of hosting environments
- Business fluent in German and good written and spoken English
- Conscientious, team-oriented and analytical way of working
- Availability at the Auerbach i.d.OPf office for onboarding (approx. 3-4 days/week during the first weeks) and occasionally for attending important meetings

### **We offer:**

- An exciting working environment at a "hidden champion"
- Motivated and committed teams with strong team spirit
- Well structured on-the-job training, which includes an individual training program
- Flat hierarchies and a high degree of freedom in decision-making
